

## GRETA A. BUSHNELL, PhD, MSPH

Center for Pharmacoepidemiology and Treatment Science  
Rutgers Institute for Health, Health Care Policy and Aging Research  
112 Paterson St.  
New Brunswick, NJ 08901  
Greta.Bushnell@Rutgers.edu  
484-883-5985

### **EDUCATION**

- Doctor of Philosophy: Epidemiology 2013 - 2017  
University of North Carolina at Chapel Hill, Gillings School of Global Public Health, Department of Epidemiology; Chapel Hill, NC  
Dissertation: *Pediatric Anxiety: Initial Pharmacotherapy, Adherence Prediction, and Burden of Events*  
Advisor: Til Stürmer, PhD, MD
- Master of Science in Public Health: Epidemiology 2011 - 2013  
University of North Carolina at Chapel Hill, Gillings School of Global Public Health, Department of Epidemiology; Chapel Hill, NC  
Thesis: *Predicting Persistence to Antidepressant Treatment*  
Advisor: Til Stürmer, PhD, MD
- Bachelor of Science: Health Science, Health Promotion and Education; Psychology Minor 2007 - 2011  
Clemson University, College of Behavioral, Social and Health Sciences; Clemson, SC  
Summa cum laude
- Semester at Sea study abroad program; University of Virginia; Charlottesville, VA Spring 2010

### **PROFESSIONAL EXPERIENCE**

#### ***Academic Appointments***

- Assistant Professor of Epidemiology 2020 -  
Rutgers University School of Public Health, Department of Biostatistics and Epidemiology
- Core Faculty, Center for Pharmacoepidemiology and Treatment Science 2020 -  
Rutgers Institute for Health, Health Care Policy and Aging Research
- Postdoctoral Research Fellow, Psychiatric Epidemiology Training Program 2017 - 2020  
Columbia University Mailman School of Public Health, Department of Epidemiology

#### ***Other Appointments***

- Predoctoral (F31) Fellow, Ruth L. Kirschstein National Research Service Award 2016 - 2017  
National Institutes of Health, National Institute of Mental Health
- Graduate Research Assistant, Pharmacoepidemiology 2012 - 2017  
Predoctoral Merck Fellow, Center for Pharmacoepidemiology (2014 – 2015)  
University of North Carolina at Chapel Hill, Department of Epidemiology

Doctoral Research Practicum	2015 - 2017
University of North Carolina School of Medicine, SUDDEN (SUDDen DEath in North Carolina)	
Graduate Research Assistant	2012 - 2015
GlaxoSmithKline, Worldwide Epidemiology; Research Triangle Park, NC	
Health Research Training Program Summer Intern	2013
New York City Department of Health and Mental Hygiene, Division of Disease Control	
Epi Scholar Summer Intern	2012
New York City Department of Health and Mental Hygiene, Division of Disease Control	
Student Research Intern	2011
Greenville Hospital System, Fertility Center of the Carolinas; Greenville, SC	
Epidemiology Summer Intern	2009, 2010, 2011
GlaxoSmithKline, Worldwide Epidemiology; Upper Providence, PA	

**GRANT SUPPORT**

1K01DA050769	PI: Greta Bushnell	3/15/2021 – 2/28/2026
<b>National Institutes of Health, National Institute on Drug Abuse</b>		
Benzodiazepine-related harms in young people: Informing policy, interventions, and prescribing		
T32MH013043	PI: Ezra Susser	9/1/2017 – 6/30/2020
<b>National Institutes of Health, National Institute on Mental Health</b>		
Psychiatric Epidemiology T32 Training Grant		
Sponsored by the Department of Epidemiology at Columbia University Mailman School of Public Health		
Role: Postdoctoral Research Fellow in Psychiatric Epidemiology		
F31MH107085	PI: Greta Bushnell	1/1/2016 - 8/8/2017
<b>National Institutes of Health, National Institute on Mental Health</b>		
Project: “Pediatric anxiety: Pharmacotherapy and psychotherapy utilization and serious adverse outcomes”		
Role: Predoctoral Research Trainee		
Fellowship sponsors: Drs. Til Stürmer (primary), Scott N Compton, Stacie B Dusetzina, Bradley N Gaynes		
Pharmacoepidemiology Fellowship	PI: Til Stürmer	8/1/2014 – 12/31/2015
<b>Center for Pharmacoepidemiology, University of North Carolina at Chapel Hill</b>		
Training grant from the Center for Pharmacoepidemiology, a partnership between the Department of Epidemiology at the University of North Carolina at Chapel Hill and notable non-academic stakeholders		
Role: Predoctoral Trainee in Pharmacoepidemiology		

**HONORS & AWARDS**

Acknowledgement of ranking among best peer reviewers	2014 - 2018
<i>Pharmacoepidemiology and Drug Safety</i>	
Nancy A. Dreyer Endowed Scholarship in Epidemiology	2016 - 2017
University of North Carolina Gillings School of Global Public Health	

New Investigator Award American Society of Clinical Psychopharmacology 2016 Annual Meeting	2016
Best Student Poster Award Tenth Annual Chapel Hill Pharmaceutical Science Conference	2016
Graduate Student Transportation Grant Award University of North Carolina Graduate School	2016
Fred and Pearle McCall Scholarship University of North Carolina Gillings School of Global Public Health	2015 - 2016
Student Travel Scholarship for Meeting Attendance International Society for Pharmacoepidemiology	2013 - 2016
Publication of one of the most highly cited papers <i>International Journal of Infectious Diseases</i>	2014 - 2015
Spotlight Poster in Adherence International Conference on Pharmacoepidemiology; Montreal, Canada	2013
Faculty Scholarship Award Clemson University, College of Behavioral, Social and Health Sciences	2011
Certificate of Recognition for Excellence in Public Health Sciences Clemson University, College of Behavioral, Social and Health Sciences	2011
Clemson University President's List	2007 - 2011

## **BIBLIOGRAPHY**

### Published Research Papers

1. **Bushnell GA**, Olfson M, Martins SM. Sex differences in US emergency department non-fatal visits for benzodiazepine poisonings in adolescents and young adults. *Drug and Alcohol Dependence*, 2021. Online ahead of print.
2. Ford J, **Bushnell G**, Griffith AM, Joodi G, Ashoka A, Patel N, Husain M, Pursell IW, Sears SF, Mounsey JP, Simpson RJ. Mental Disorders, Substance Use Disorders, and Psychotropic Medication Use Among Sudden-Death Victims. *Psychiatric Services*. 2021. Online ahead of print. doi:10.1176/appi.ps.201900389. PMID: 33593102
3. **Bushnell GA**, Crystal S, Olfson M. Trends in antipsychotic treatment of young, privately insured children. *Journal of American Academy of Child and Adolescent Psychiatry*. Online ahead of print. doi:10.1016/j.jaac.2020.09.023. PMID: 33091567
4. **Bushnell GA**, Gerhard T, Crystal S, Olfson M. Benzodiazepine treatment and fracture risk in young persons with anxiety disorders. *Pediatrics*. 2020;146(1):e20193478. PMC7329250

18. Lessey BA, **Bushnell GA**, Miller SE. Letrozole use in frozen embryo transfer (FET) cycles: Clinical pregnancy outcomes in patients with and without endometriosis. American Society for Reproductive Medicine 67<sup>th</sup> Annual Meeting, Orlando, FL. October 15-19, 2011. Poster presentation.
19. Lessey BA, **Bushnell GA**, Miller SE, Price TA. Intraoperative methylene blue dye staining detects peritoneal defects associated with endometriosis and pelvic pain. 27<sup>th</sup> Annual Meeting of ESHRE, Stockholm, Sweden. July 3-6, 2011. Podium presentation.

## **TEACHING RECORD**

Teaching Assistant: “Clinical Measurement and Evaluation” (EPID 711) University of North Carolina at Chapel Hill, Gillings School of Global Public Health Course Instructor: Dr. William C. Miller	2014
American Psychopathological Association (APPA): Training Program Workshop; Presenter Benzodiazepine prescribing and safety concerns in young people	2020
Psychiatric Epidemiology Seminar, Columbia University; Presenter Benzodiazepine prescribing in young people and risk of overdose and substance use	2019
Prescription benzodiazepine use in privately insured children and adolescents	2018
Injury Center Works-In-Progress Seminar, Columbia University; Presenter Benzodiazepines and risk of fractures in young people	2019
Pharmacoepidemiology Seminar, University of North Carolina; Presenter Examining parental medication adherence as a predictor of child adherence	2017
Initial treatment type and serious adverse outcomes in pediatric anxiety, a work in progress	2016
Antidepressant and benzodiazepine co-initiation and subsequent long-term benzodiazepine use	2016
Initial prescription medication for children with anxiety: Concordance with evidence	2015
Predicting antidepressant persistence: Influence of prior persistence and refill delays	2015
Dosing of SSRIs in children and adults before and after the FDA black-box warnings	2015
Epidemiologic Workshop; Presenter University of North Carolina, Merck, and GlaxoSmithKline collaborative workshop North Wales, PA	2014

## **SERVICE**

### **Professional society membership and participation.**

International Society for Pharmacoepidemiology Pediatric Special Interest Group Member (2016 – present)	2012 - present
---	----------------

Secretary (2020 – present)  
Adherence Special Interest Group, Member (2013 – present)  
Invited conference abstract reviewer (2015 – 2021)

American Society of Clinical Psychopharmacology 2016 - 2018

**Journal reviews.**

Pharmacoepidemiology and Drug Safety 2014 - 2021  
JAMA Pediatrics 2020  
Pediatrics 2019  
Acta Psychiatrica Scandinavica 2019  
Journal of Affective Disorders 2019  
Journal of Clinical Epidemiology 2016  
JAMA 2015  
American Journal of Epidemiology 2014

**University service.**

Admissions Committee Member, Doctoral Program, Epidemiology Concentration  
School of Public Health, Rutgers University 2020  
Co-Chair; UNC Pharmacoepidemiology Seminar 2014 - 2015  
Treasurer; UNC Student Chapter, International Society for Pharmacoepidemiology 2012 - 2013

**Community service.**

WIN (Women in Need), Afterschool Program Volunteer; New York, NY 2018 -  
North Carolina Children's Hospital, Pediatric Playroom Volunteer; Chapel Hill, NC 2014 - 2015  
Peer Health Education Club, Member; Semester at Sea, University of Virginia 2010  
Paoli Memorial Hospital, Volunteer; Paoli, PA 2006 - 2007
