

Yanping Jiang, Ph.D.

Institute for Health, Health Care Policy and Aging Research
Rutgers University
112 Paterson Street,
New Brunswick, NJ 08901
yanping.jiang@ifh.rutgers.edu

EDUCATION

- 2019 **Ph.D. in Health Promotion, Education, & Behavior**
Arnold School of Public Health, University of South Carolina, Columbia, SC, USA
- 2016 **M.E. in Developmental and Educational Psychology**
School of Psychology, South China Normal University, Guangzhou, China
- 2013 **B.S. in Psychology**
Department of Psychology, Chongqing University, Chongqing, China

ACADEMIC APPOINTMENTS

- 09/2021- **Instructor**, Department of Family Medicine and Community Health
Rutgers University, New Brunswick, NJ, USA
Core member, Institute for Health, Health Care Policy and Aging Research
Rutgers University, New Brunswick, NJ, USA
- 2019-2021 **Postdoctoral Research Fellow**
Department of Psychology, Wayne State University, Detroit, MI, USA

SCHOLARSHIPS AND AWARDS

- 2021 Postdoctoral Trainee Research Award, Wayne State University
- 2019 Travel Support Award, Arnold School of Public Health, University of South Carolina
- 2019 SPARC Graduate Research Grant, University of South Carolina “Effects of a resilience-based psychosocial intervention on cortisol regulation for children affected by parental HIV” (\$4,855)
- 2018 South Carolina SmartState Center for Health Care Quality Junior Scholar traineeship
- 2017 South Carolina SmartState Center for Health Care Quality Junior Scholar traineeship
- 2016 2016 Jacobs International Young Scholars Award, SRA
- 2016 Travel Support, School of Psychology, South China Normal University
- 2015 Graduate Students Co-Training Abroad Scholarship, South China Normal University
- 2015 Graduate Research Grant. South China Normal University “Effects of peer victimization on substance use among early adolescents: a one-year longitudinal study” (¥3,000)
- 2015 2015 Jacobs Foundation International Travel Award, SRCF

- 2013 Outstanding Undergraduate Student Award, Chongqing University
 2012 National Scholarship (0.2%), China
 2011 National Scholarship (0.2%), China
 2010 National Endeavor Scholarship (3%), China
 2010-2013 Comprehensive Merit Scholarship, Chongqing University

PRESENTATIONS

Oral Presentations

1. **Jiang Y.**, Gómez, J.M., Rodriguez-Stanley J., & Zilioli S. (2021, November). Testing the John Henryism hypothesis on cardiometabolic health among older African Americans. Paper will be presented at The Gerontological Society of America (GSA) 2021 Annual Scientific Meeting, Phoenix, AZ.
2. Bierstetel, S., **Jiang, Y.**, Zilioli, S., & Slatcher, R.B. (2021, February). Family conflict and the trajectory of adolescent asthma-related health. Presented at the Society for Personality and Social Psychology Virtual Convention.
3. **Jiang Y.**, Zilioli S., Peek M. K., & Cutchin P. M. (2020, August). Effects of socioeconomic status on inflammation following acute and chronic naturalistic stressors. Presented at the Virtual Annual Conference of the International Society of Psychoneuroendocrinology.
4. Qiao S., **Jiang Y.**, Li X., Gu H., & Zhao J. (2019, July). Molecular impacts of parental HIV/AIDS: Telomere length among children affected by HIV/AIDS. Presented at the 14th AIDS Impact Conference, London, United Kingdom.
5. **Jiang Y.**, Li X., Cho H., Qiao S., Brown M., & Haider M. R. (2019, April). Effects of individual and neighborhood socioeconomic status on antiretroviral therapy adherence: The role of adherence self-efficacy. Presented at the Annual Center for Health Care Quality Junior Scholar Symposium. University of South Carolina, Columbia, SC.
6. Cho H., **Jiang Y.**, & Li X. (2019, March). Viral load suppression, mental health, and quality of life among people living with HIV in South Carolina. Presented at the Annual Meeting of the American Psychosomatic Society, Vancouver, Canada.
7. **Jiang Y.**, & Li X. (2018, March). Longitudinal relations between subtypes of peer victimization, depressive symptoms, and self-harm behaviors among children affected by parental HIV. Presented at the Annual Center for Health Care Quality Junior Scholar Symposium. University of South Carolina, Columbia, SC.
8. **Jiang Y.**, Li X., Zhou G., Zhao J., & Zhao G. (2017, May). The association between negative affect and health among children affected by parental HIV: The moderating role of optimistic expectations. Presented at the 3rd International Symposium on Health and Development of Vulnerable Children, Kaifeng, China.

9. Conradt E., **Jiang Y.**, LaGasse L., & Lester B. (2017, April). How the timing and type of stressful life events contribute to cortisol reactivity: A test of the adaptive calibration model. Presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.

Poster Presentations (*meetings were canceled)

1. **Jiang Y.**, Zilioli S., Rodriguez-Stanley J., Peek M. K., & Cutchin P. M. (2020, December). Socioeconomic disparities in biopsychological outcomes following a human-caused disaster. Poster presented at the 2020 Virtual Meeting of the American Psychosomatic Society.
2. **Jiang Y.**, Zilioli S., Rodriguez-Stanley J., & Houpt R. (2020, March). Which aspects of socioeconomic status matter for metabolic syndrome among elderly urban African Americans? Poster presentation to be given at the Annual Meeting of the American Psychosomatic Society, Long Beach, CA*.
3. Chen L., Zilioli S., **Jiang Y.**, Wang X., & Lin D. (2020, March). The role of perceived social support in modulating children's physiological responses to Stress: Evidence for stress-buffering hypothesis. Poster presentation to be given at the Annual Meeting of the American Psychosomatic Society, Long Beach, CA*.
4. Domlyn A., **Jiang Y.**, Harrison S., Qiao S., & Li X. (2019, November). Stigma, psychosocial resources, and psychological wellbeing among children affected by parental HIV. Poster presented at the 2019 American Public Health Association Annual Meeting, Philadelphia, PA.
5. Zhao J., **Jiang Y.**, Li X., Zilioli S., & Zhao G. (2019, July). Effects of peer victimization on daily negative affect and sleep outcomes among children affected by parental HIV. Poster presented at the 14th AIDS Impact Conference, London, United Kingdom.
6. **Jiang Y.**, Li X., Zhao J., & Zhao G. (2019, March). Stressful life events and diurnal cortisol slopes: the role of affective dispositions. Poster presented at the Annual Meeting of the American Psychosomatic Society, Vancouver, Canada.
7. Da W., Qiao S., **Jiang Y.**, Li X., Zhou Y., & Shen Z. (2018, November). Occupational stress, social support for work, and burnout: Testing the stress-buffering hypothesis among health care providers (HCPs) caring for people living with HIV (PLHIV) in China. Poster presented at the 2018 American Public Health Association Annual Meeting, San Diego, CA.
8. **Jiang Y.**, Li X., Zhao J., & Zhao G. (2018, November). Subtypes of peer victimization and self-harm behaviors: The roles of depressive symptoms. Poster presented at the 2018 American Public Health Association Annual Meeting, San Diego, CA.
9. Bao Z., Chen C., Zhang W., **Jiang Y.**, Zhu J., Lai X., & Xing J. (2018, April). School connectedness and Chinese adolescents' sleep problems: A cross-lagged panel analysis. Poster presented at the Biennial Meeting of Society for Research on Adolescence, Minneapolis, MN.

10. **Jiang Y.**, Li X., Chen L., Zhou G., Zhao J., & Zhao G. (2018, March). Emotional regulation as a mechanism linking bullying victimization to diurnal cortisol rhythm among children affected by parental HIV. Poster presented at the Annual Meeting of the American Psychosomatic Society, Louisville, KY.
11. **Jiang Y.**, Li X., Zhou G., Qiao S., Zhao J., & Zhao G. (2017, November). Psychological resources buffer the effects of stigma on health among children affected by parental HIV/AIDS. Poster presented at the 2017 American Public Health Association Annual Meeting. Atlanta, GA.
12. **Jiang Y.**, Li X., Chi P., Zhao J., & Zhao G. (2017, May). Impact of caregiver-child relationship quality on social competence and diurnal cortisol rhythm among children affected by parental HIV/AIDS. Poster presented at 29th Association for Psychological Science Annual Convention, Boston, MA.
13. **Jiang Y.**, Zhang W., & Yu C. (2016, March). Cross-lagged relationships among youth peer victimization, anxiety/depression, and somatic symptoms. Poster presented at the Biennial Meeting of Society for Research on Adolescence, Baltimore, MD.
14. **Jiang Y.**, Yu C., Zhang W., Bao Z., & Zhu J. (2015, March). Peer victimization and substance use among early Chinese adolescents: A moderated mediation model. Poster presented at the Biennial Meeting of Society for Research in Child Development, Philadelphia, PA.

PROFESSIONAL TALKS

- 09/2021 *Consequences of peer victimization among children affected by parental HIV.* Scheduled to resented virtually at International Symposium on Health Development of Vulnerable Populations, University of Johannesburg, Johannesburg, South Africa.
- 06/2021 *Biopsychosocial perspective on socioeconomic disparities in health.* Presented virtually at the Wayne State University Postdoctoral Association meeting, Detroit, MI.
- 12/2020 *Socioeconomic status and health: The mechanism of stress exposure and response.* Presented virtually at the University of South Carolina, South Carolina SmartState Center for Healthcare Quality, Columbia, SC.
- 05/2019 *Improving mental health outcomes of children affected by parental HIV in China.* Presented at the University of South Carolina, South Carolina SmartState Center for Healthcare Quality, Columbia, SC.

TEACHING

- 2021 **Guest lecturer**, Internal and External Validity
 Honors Research in Psychology, Undergraduate level
 Department of Psychology, Wayne State University

- 2020 **Guest lecturer**, Internal and External Validity
 Honors Research in Psychology, Undergraduate level
 Department of Psychology, Wayne State University
- 2020 **Guest lecturer**, Simple and Multiple Logistic Regression
 Applied Research Methods in Urban Public Health, Master level
 Department of Family Medicine and Public Health Sciences, Wayne State University
- 2014-2015 **Instructor**, *Psychological Well-being of College Students* (undergraduate level)
 Guangdong College of Industry and Commerce, China

Certificate

- 2019 Teaching towards Inclusive Excellence, University of South Carolina

MENTORING

Graduate Students:

- 2020-2021 Jianing Su, Supervisor for independent study, Psychology, Beijing Normal University

Undergraduate Students:

- 2021 Maryam Adel, Honors thesis mentor, Neuroscience, WSU
2018 Grace Ivey, Supervisor for independent study, Public Health, USC
